

# Software License Agreement

## DEFINITIONS

“Akse Srl” means Akse Società a Responsabilità Limitata, a Reggio Emilia corporation, 39 Via Aldo Moro, 42124 – Italia when this agreement is entered into while you are in any country. “Computer” means a virtual or physical computer device that accepts information in digital or similar form and manipulates it for a specific result based on a sequence of instructions. “Internal Server Network” means a private, proprietary network resource accessible only by employees and individual contractors (i.e., temporary employees) of a specific corporation or similar business entity. Internal Network does not include portions of the Internet or any other network community open to the public, such as membership or subscription driven groups, associations and similar organizations.

“Software” means (a) all of the information with which this agreement is provided, including but not limited to (i) Akse Srl or third party software files and other computer information; (ii) sample and stock photographs, images, sounds, clip art and other artistic works (“Content Files”); (iii) related explanatory written materials and files (“Documentation”); and (iv) fonts; and (b) any modified versions and copies of, and upgrades, updates and additions to, such information, provided to you by Akse Srl at any time, to the extent not provided under a separate agreement (collectively, “Updates”).

## SOFTWARE LICENSE

Akse Srl permits to the final user the right to install and use one copy of this Software on a single computer. The Software is meant “in use” on a Computer when it has been loaded on the volatile Random Access Memory (RAM) or installed on the Computer's permanent memory (Hard Disk). Anyway, installing the Software on an Internal Server Network with the unique function of displaying on one or more computers, does not imply an “use” for which it is requested a separate authorization.

## COPYRIGHT

The Software and any authorized copies that you make are the intellectual property of and are owned by Akse Srl. The structure, organization and code of the Software are the valuable trade secrets and confidential information of Akse Srl. The Software is protected by law, including but not limited to the copyright laws of the European Union and other countries, and by international treaty provisions. Except as expressly stated herein, this agreement does not grant you any intellectual property rights in the Software and all rights not expressly granted are reserved by Akse Srl. Consequently the user has to treat the Software any other item protected by copyright (for example a book or a music CD-Rom), except in case the Software is protected from copy: in this case the user can produce a single copy of the software and exclusively for archive reasons, or he can install the software on an hard disk with the condition to conserve this original copy for archive reasons. The user can not, in any case, reproduce the Manual or however all the written documentation following the Software. The user can not rent or lease the software, but he can completely and definitively transfer all the rights granted by this software agreement license on condition that he must furnish all the copies of the software and all the documentation and that the receiver accepts all the terms of this software agreement license. The user can not convert, decode, decompile or disassemble the Software.
